V RIFY IT

The Proof is in Lancaster Almost at your
Door.

The public statement of a Lancaster
citizen is in itself strong proof for Lan-
caster people, but confirmation
strengthens the evidence.

Here is a Lancaster citizen who tes-
tified years ago that Doan's Kidney Pills
relieved weak kidneys and now states
the result was permanent. Can any
sufferer from kidney pills ask better
proof? You can investigate. The case
is right at home.

George Wright, carpenter, Stanford
St., Lancaster, Ky., says: "I willingly
confirm all that I said in 1908 praising
Doan's Kidney Pills. They do all that
is claimed for them. I suffered a great
deal from my kidneys and back. Pains
through my loins extended to the sides
and over the kidneys. I used Doan's
Kidney Pills and my kidneys became
normal and the pains stopped."

For sale by all dealers. Price 50 cents.

Arnold's Garage,
Danville, Kentucky.

At first the tendency of the manufactur-
ers seemed to be toward large and expensive
cars and the needs of the poor man or the
man of moderate means was overlooked.
American ingenuity and common sense sup-
plied this need in "The Ford."

The Ford is not only an inexpensive car to
buy but because of its strength and enduring
qualities it is also inexpensive to maintain.
